

Visa Registration in Tver City

According to the Russian law, it is a requirement for all foreign citizens to have their visa registered with the State upon entering the Russian Federation. This procedure has to be completed within 3 days after crossing the border.

If you are staying at a hotel, the hotel will register your visa. For those travelers, who are staying at a private apartment, visa registration in Tver City is now available at our office.

To have your visa registered, please submit a copy of the front page of your passport, a copy of your visa page, and a copy of your arrival departure card to our office. Make sure you apply within the 3 days from the arrival date stamped in your passport. The fee is €80 USD.

Please note that not registering your Russian visa may lead to serious problems: detention by police, fines on departure, prevention from boarding the plane, etc. We strongly advise you to register your Russian visa to avoid possible consequences.
